WHAT THEY ARE SAYING

"We have been using the services of CourtsOnline for the past several years... I would not hesitate to recommend the CourtsOnline system to others at any time. We have been highly satisfied since the induction of the software into our operation, and rely on the information it provides for us daily."

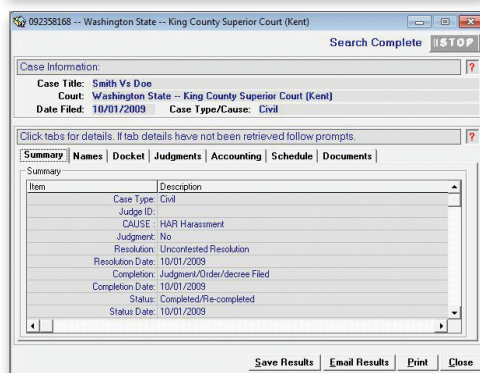

Kim Read, Production Manager, Ticor Title

"We use CourtsOnline for a variety of things, including checking the status of pending orders, obtaining copies of missing pleadings, and obtaining background information and documents for new matters. This is especially helpful when preparing new business reports. For all of these tasks, CourtsOnline provides a very useful and convenient service."

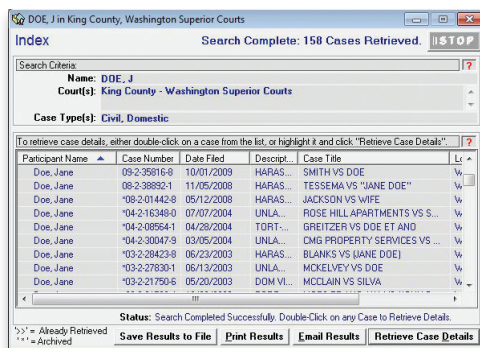

Mitch Livingston, Director of Operations, Bishop, White, Marshall & Weibel, P.S.
